Project Requested By or Purpose

Master contract to provide surveying services on various highway improvement projects throughout a nine (9) county region. Work orders will be negotiated under this master contract to provide surveying services on an as-needed basis. No work orders will be issued after June 30, 2002.

Work Consists of

Scope of services include: Design surveying, creation of design-ready computer files, and right-of-way staking, meetings, and conferences.

Consequences - If Not Approved

Without this master contract, survey information critical to delivery of needed improvement projects could be delayed, causing delays in the improvement projects themselves.
